

Courier & Cargo

Delivery Services

VL **VL Cargo**

Our cargo company offers tailor-made solutions to different industries. Every industry has its unique features.

VL Cargo is a leading Domestic Courier Company in India. We are having the most extensive countrywide network backed by professionally trained personals at all levels.

OUR STORIES AND EXPERIENCES

VL Cargo is a Domestic and International Courier. It offers economical, efficient, and fast courier through its nationwide (All India) network. We specializes in providing fast and prompt delivery of documents, small parcels, and heavy shipments. From Metro, Class A, B, and C cities our reach goes down to deep interiors of small towns and villages. Our economical and tailor made solutions for the specific needs of our demanding clients makes us a preferred Courier with many national and multi-national corporate clients. VL Cargo have already become the fastest, thrifty, and widely available courier services at the pan India level. VL Cargo is now gearing up for providing specialized products and services to its discerning clients. We believe in growth. And we will be growing in terms of network, destinations, products, services, and clients.

Sometimes goods can arrive early when they are being brought into the country. Other times items need a place to be stored and override the digital divide with additional clickthroughs.
